**CANCELLED CLINICS AND INSTRUCTIONS ON NEEDED SERVICES:**

- **Medical clinics at BNH OPD (Diabetes, Hypertension, Asthma, all other NCD clinics) have been cancelled to lessen the traffic at BNH and prevent the possible spread of COVID-19. All patients must continue taking their medication and call to refill as needed. Patients may also call OPD at 488-2555 and leave messages for their doctors to call them back.**
- **Medication can be refilled at BNH OPD between 8:00am – 4:00pm, Monday – Friday. Patients are encourage to ask their relatives (young adults) to get their refills at the Hospital.**
- **All Physical Therapy sessions have been postponed except ORTHO.**
- **All endoscopy/colonoscopy clinics have been postponed until further notice.**
- **Home health services have been reduced to cases that need daily attention; however, patients or caregivers may call the Home Health Unit as needed.**
- **BH Outpatient Clinics and Outreach have been postponed; ON-CALL SCHEDULE and DOT remain.**
- **OB-GYN – All low-risk patients can call OPD during working hours, or the ER after hours for any concerns.**
- **All breast and cervical cancer clinics have been postponed until further notice.**
- **For emergencies, please call 911 or the ER at 488-2558.**

**We apologize for any inconvenience, and ask for patience and understanding during this time.**
