### **REPATRIATED RESIDENTS FROM THE PHILIPPINES TEST NEGATIVE FOR COVID-19**

Press Release

**August 11, 2020**

The National Emergency Committee (NEC) is pleased to inform the public that the repatriated residents, including students and medical referral patients who came home from the Philippines, tested negative of COVID-19 on day 7 of their quarantine period.

The NEC continues to thank the public for its support as we bring in our residents and essential workers.

If you have any questions or need further information on quarantine activities, please contact the NEC EOC Liaison Officer, Ms. Sherilynn Madraisau at 775-3744, or the MOH EOC Deputy Incident Commander, Mr. Gaafar Uherbelau at 775-1310.
