COVID-19 VACCINATION FOR 12 YEAR OLDS AND OLDER OPEN FOR WALK-INS, NO APPOINTMENTS NEEDED

The Ministry of Health and Human Services (MHHS) would like to inform the public that COVID-19 vaccination for anyone aged 12 years and older will be open for walk-ins on August 11-13, 2021 from 2pm to 6pm at the National Gym. No appointments are needed.

Parents or court-appointed legal guardians must escort their child and sign a consent form before their child can receive the vaccine. A notarized letter from a parent giving authorization to an adult to sign the consent form for their child to receive the vaccine is acceptable. Parents and guardians are also asked to provide their child's ID (passport, driver's license, etc.) preferably birth certificate, and hospital number. Parents/guardians are also asked to show their own IDs at the vaccination point of dispensing (POD) site.

If your child does not have a hospital number, please proceed to the Belau National Hospital Medical Records and request for one.

The COVID-19 vaccine to be administered will be the Pfizer COVID-19 vaccine, which requires two (2) doses administered twenty-one (21) days apart.

We thank you for your support and understanding. If you have any questions or need further information on the COVID-19 vaccine, please contact Gustap Salii at 775-1311 or Merlyn Basilius at 775-2898.
