OPEN POD FOR COVID-19 VACCINATION

The Ministry of Health and Human Services (MHHS) would like to inform the public that COVID-19 vaccination will be available for anyone on all the Fridays in October: October 8, 15, 22, and 29, from 2pm to 6pm at the Palau National Gym.

1st, 2nd and 3rd doses of the Moderna and 1st and 2nd doses of the Pfizer COVID-19 vaccines will be available for anyone who is eligible to receive these vaccines.

No appointments are needed.

Parents and guardians are reminded to provide their children's IDs (birth certificate, passport etc.), date of birth and hospital number. If your child does not have a hospital number, please proceed to the Belau National Hospital Medical Records and request for one.

The 3rd dose of the Moderna vaccine is NOT a booster dose, but an additional dose for individuals with weakened immune systems. You may need a doctor's note in order to receive this additional dose.

We thank you for your support and understanding. If you have any questions or need further information on the COVID-19 vaccine, please contact Gustap Salii (775-1311) or Merlyn Basilius (775-2898).
