### UPDATES ON TESTING AND QUARANTINE IN PALAU

**April 5, 2021**

The Ministry of Health (MOH) would like to provide the public with the following updates on testing and quarantine of individuals in Palau (past few days).

- The thirty (30) essential workers and returning residents who arrived on March 22, 2021 from Guam have received their day 14 tests, and all results were negative. They have been released from mandatory quarantine but will continue to self-monitor before undergoing final testing on day 21. The one (1) fully vaccinated essential worker has been cleared of all quarantine and testing requirements.
- Fourteen (14) military personnel arrived on April 4, 2021. They are in mandatory quarantine for fourteen days, and will be tested on days 7, 14, and 21.

MOH continues to thank the community for its support to all COVID-19 response activities.

If you have any questions or need further information on quarantine or testing for COVID-19, please contact the MOH Deputy Incident Commander, Gaafar Uherbelau at 775-1310.
