UPDATES ON TESTING AND QUARANTINE IN PALAU

March 8, 2021

The Ministry of Health (MOH) would like to provide the public with the following updates on testing and quarantine of individuals in Palau (last several days).

- The fifteen military and essential personnel who arrived on February 9th and 10th have undergone their day 21 testing, and all results were negative. They have been cleared of all testing and quarantine requirements.
- Forty-one (41) medical referral patients and escorts, returning residents, and essential workers who arrived from Taiwan on February 27, 2021 received their day 5 tests, and all results were negative. They have been released from mandatory quarantine, and will continue to self-monitor before undergoing final testing on day 14.

MOH continues to thank the community for its support to all COVID-19 response activities.

If you have any questions or need further information on quarantine or testing for COVID-19, please contact the MOH EOC Deputy Incident Commander, Mr. Gaafar Uherbelau at 775-1310.
