VIOLETION OF QUARANTINE RULES IN PALAU

February 4, 2021

The Ministry of Health (MOH) received reports from the Bureau of Public Safety that two individuals had violated quarantine regulations. According to reports from Quarantine Security, an individual currently in mandatory quarantine tossed an item over the balcony to another individual on the premises.

Appropriate protocols have been followed by all relevant agencies. Investigation indicates that no physical contact was made between the person in mandatory quarantine with anyone else, nor did he leave the premises.

MOH continues to thank the public for its support to all COVID-19 response activities.

If you have any questions or need further information, please contact the MOH EOC Deputy Incident Commander, Mr. Gaafar Uherbelau at 775-1310.
