COVID-19 TESTING FOR OUTBOUND TRAVELERS AND OTHER REQUIREMENTS

June 23, 2021

The Ministry of Health (MOH) would like to remind outbound travelers that COVID-19 testing is required for traveling, and it is your responsibility to confirm testing dates either from the airline or by calling the MOH Hotline at 488-0555 at least five (5) working days prior to travel date.

- Testing for outbound travelers are usually conducted **THREE (3) DAYS PRIOR TO DEPARTURE**, in the morning, from 8:30am to 11:00am. The cost of testing is \$30.50, and you will need to bring in your itinerary, passport and hospital number.
- Inbound travelers who are placed on restriction of movement (ROM) or other quarantine orders must abide by testing requirements. Each test costs \$25.00 (or \$30.50 if a printout of results is needed). Testing dates are indicated in ROM or quarantine orders issued to travelers before or upon their arrival in Palau. If you miss your testing date, you will be fined up to \$500/day, and may be subjected to other legal repercussions.
- Other requirements for people traveling from Palau to Guam (only) include a secondary document to show proof of vaccination. You may pick up this document at the community health center across from Koror Elementary School, Monday to Friday, between 8:00am and 3:00pm.

MOH continues to thank the community for its support to all COVID-19 response activities.

If you have any questions or need further information, please contact the MOH Hotline at 488-0555, or the MOH Deputy Incident Commander, Mr. Gaafar Uherbelau at 775-1310.
