UPDATES ON TESTING AND QUARANTINE IN PALAU

December 3, 2020

The Ministry of Health (MOH) would like to provide the public with the following updates on testing and quarantine of individuals in Palau:

- Sixty-three (63) residents and essential workers who arrived in Palau on November 13, 2020 via Taiwan have been cleared of all testing and quarantine requirements.
 - Those who originated from Taiwan were in mandatory quarantine in a government-designated facility for seven days, and tested on days 1, 7 and 14. All test results were negative.
 - Those who originated from Japan were in mandatory quarantine in a government-designated facility for fourteen days, and tested on days 7, 14, and 21. All test results were negative.
- Three (3) military personnel have also fulfilled their quarantine and testing requirements, after they received their day 21 tests this week. All test results were negative.
- There are seven (7) military personnel who arrived today and currently in mandatory quarantine. They will be tested on days 7, 14, and 21.

MOH continues to thank the community for its support to all COVID-19 response activities.

If you have any questions or need further information on quarantine or testing for COVID-19, please contact the MOH EOC Deputy Incident Commander, Mr. Gaafar Uherbelau at 775-1310.
