COVID-19 VACCINATION FOR 12 YEAR OLDS AND OLDER OPEN FOR WALK-INS, NO APPOINTMENTS NEEDED

The Ministry of Health and Human Services (MHHS) would like to inform the public that COVID-19 vaccination for anyone aged 12 years and older will be open for walk-ins on August 06, 2021 from 3pm to 7pm at the National Gym. No appointments are needed.

Parents or legal guardians must escort their child and sign a consent form before their child can receive the vaccine. Parents and guardians are also asked to provide their child's ID, preferably birth certificate (passport, driver's license, etc.), and hospital number, as well as their own ID at the vaccination point of dispensing (POD) site. If your child does not have a hospital number, please proceed to the Belau National Hospital Medical Records and request for one.

The COVID-19 vaccine to be administered will be the Pfizer COVID-19 vaccine, which requires two (2) doses administered twenty-one (21) days apart and the Johnson & Johnson Janssen vaccine (J3).

We thank you for your support and understanding. If you have any questions or need further information on the COVID-19 vaccine, please contact Gustap Salii at 775-1311 or Edolem Ikerdeu at 775-1138.
