The Ministry of Health (MOH) continues to vaccinate first responders, homebound patient caregivers, the elderly (65 years old and over), and people with underlying medical conditions like diabetes or heart disease this week, January 18-23, 2020.

If you were scheduled by Ministry of Health staff to receive your vaccine and missed your appointment in the last several days, you may walk in and receive your vaccine this week at the National Gym on Wednesday (January 20), Friday (January 22), and Saturday (January 23), between 9am and 4pm.

We thank you for your support and understanding, as we wait for more vaccines. MOH will continue to provide vaccination schedules and details as they become available.

If you have any questions or need further information on the COVID-19 vaccine, please contact Gaafar Uherbelau (775-1310) or Edolem Ikerdeu (775-1138).
