RESTRICTION OF MOVEMENT (ROM)

All vaccinated travelers to the Republic of Palau must undergo Restriction of Movement (ROM) and self-monitoring for a period of four (4) days from date of arrival. Wrist bands (issued upon arrival at the Airport) and face masks must be worn at all times during ROM period.

Things you can do under ROM:
- Essential Work
- Grocery shopping
- Banking
- Access medical care
- Food pick-up
- Access pandemic certified services and establishments from 8am to 6pm (visit www.palaugov.pw/travel)

Things you cannot do under ROM:
- Attend mass gatherings and large public events.
- Miss mandatory COVID-19 testing.
- Access or visit non-pandemic certified establishments.
- Direct interaction with children under 12 years old.
- Remove or tamper with wrist band and face mask until testing negative on day four (4). (Travelers may have to wait an additional day for results).

MANDATORY COVID-19 TESTING

All travelers are subject to mandatory COVID-19 testing on the fourth (4th) day after arrival in Palau (see Mitigation Orders). The Day 4 test is conducted at the Belau National Hospital from 8:00am to 10:00am. Traveler shall bear the testing cost at $25.00 per test plus $5.50 for a printout if needed.

All travelers will only be released from ROM after testing negative for COVID-19 on the fourth (4th) day after arrival in Palau. Test results may take up to 24hrs to process. Wrist bands will be removed after negative test results are confirmed.

Any violation of these restrictions and testing requirements is subject to a $500 fine and/or up to one (1) year imprisonment in accordance with 34 PNC § 104.
