### UPDATES ON VISTING HOURS AT BELAU NATIONAL HOSPITAL

The Ministry of Health and Human Services informs the public that due to decreasing cases of COVID-19, the Belau National Hospital is reinstating its daily visiting hours, without screening, from 6:00pm to 7:00pm, **effective April 10, 2023**. However, all visitors must still adhere to the following measures to avoid a re-surge of COVID-19 and other communicable diseases:

- The mask wearing policy remains in effect and all individuals must wear masks when accessing services or visiting during appropriate hours.
- Visitors may use the ER entrance at this time when visiting patients from 6pm-7pm due to ongoing construction. Individuals will be denied entry at any other time unless they are accessing emergency medical services.

MHHS will continue to monitor the situation and may reinstate stricter measures as necessary to protect public health.

If you need more information, please contact the MHHS COVID-19 Hotline at 488-0555.

Thank you.
