### Slight Surge in COVID-19 Cases

The Ministry of Health and Human Services (MHHS) is informing the public that there is a slight surge in COVID-19 cases in the community, resulting in a few hospital admissions.

MHHS would like to remind everyone to continue to practice preventive measures to stop the spread of COVID-19 and other infectious diseases including the flu and common colds.

- Get your COVID-19 boosters and flu shots
- Wear your mask as needed
- Isolate yourself if you are sick and get tested
- Maintain physical distance as appropriate
- Maintain personal hygiene including hand washing and coughing/sneezing etiquette

We continue to thank everyone for your support and commitment to maintaining a safe and healthy Palau.

If you have any questions or need further information, please contact the COVID Hotline at 488-0555.

Thank you.
