### COVID-19 VACCINATION RECORDS

The Ministry of Health and Human Services (MHHS) is informing the public of the following updates:

- Vaccination certificates or additional COVID-19 vaccination records are not required for traveling. Your original COVID-19 vaccination record cards issued upon receiving your vaccines suffice as proof of vaccination for travel purposes.
- However, if you need this additional vaccination record or certificate, you may pick up a copy at the Central Community Health Center I, across Koror Elementary School, on Mondays and Thursdays (except for holidays) between 9am – 11:30am and 12:30pm to 3:30pm. Processing fee is \$5.50. Please note that the clinics may be busy at times, and they may ask you to come back within 24 hours for pick up. Do not wait until your travel date to request your copy.

MHHS continues to thank all residents and guests for your support and commitment to a safe and healthy Palau.

If you have any questions or need further information, please contact the COVID Hotline at 488-0555.

Thank you.
